Turnouts at Hiddun Hollow Stables

Just visible to passing traffic, a green roof can be seen poking out of the hollow at the end of a long lane. Located east of Independence, Iowa, *Hiddun Hollow Stables* is tucked almost completely out of sight; but this locale is home to a quiet and spacious 40-plus acre boarding facility.

After years of planning (and managing a facility north of Independence), Steve and Rhonda Bitterman decided to construct their own facility, and now the result, *Hiddun Hollow Stables*, is open for business. As a family-owned and -operated business, *Hiddun Hollow Stables* provides quality care for your horse in the best full service boarding facility in the area. The Bittermans share a life-long love of horses, and it shows, as they take great pride in their care and knowledge of these marvelous animals.

The heated facility has 16 - 12'x12' stalls surrounding a 60'x 94'

arena. Boarders have full use of a heated wash bay, 12' aisles, two spacious tack rooms, mounting platform and a restroom with a large tub sink. Each of the 16 stalls features rubber mats, along with an outdoor run exclusively for your horse.

Boarding amenities at Hiddun Hollow Stables include clean stalls, fresh water, bedding, hay, use of wash bay and heated arena, and daily turn out. The facility also offers ground work training and hauling services at an additional fee. Open riding in the arena for non-boarders is also offered by appointment.

Steve and Rhonda encourage everyone to stop out and visit with them at 2142 - 220th Street, Independence, Iowa.

You can visit their website at www.hiddunhollowstables.com or call 319-440-1825 or 319-334-4949 for more information or to set up a visit.
