

# Reflections...

The Iowa Equine Rescue and Awareness League (IERAL) has hit our five + years of helping horses in Iowa.

Many "rescues" come and go, and we are so humbled by our ability to continue helping educate people and continue supporting law enforcement agencies in Iowa with equine neglect and abuse. We've helped over 1218 horses in Iowa over our five years, and as times continue to worsen in the horse industry and the economy, that number will only continue to grow. IERAL understands that our continued success is because of the involvement of volunteers, organizations, foundations, law enforcement, people who have adopted our horses, and all others who have given what they can to make sure horses are safe in Iowa.

Our vision remains the same "To ensure that all equine in Iowa live in a safe, healthy and nurturing environment."

**We still need your help, and this is what you can do to help horses in Iowa:**

- To be able to offer help to those in need, we need any monetary donation you can give!
- Land, to facilitate the needs of equines
- Lead Ropes; preferably no bull snaps
- Buckets; grain or water
- Grain; Equine Senior, Safe Choice, Empower
- Hay; Square bales, mix of grass and alfalfa
- Vet wrap, wormer, fly spray, brushes, etc.
- Truck & Stock Trailer
- Foster Care Sites
- Portable Stalls
- Volunteers to care for horses and much much more!
- ADOPTIONS we have 25+ horses ready for adoption today!!!

Please visit our website and learn how YOU can get involved or adopt any of our great horses.
